Questions and comments from the floor with **Daniel McDonnell**, Strategy Programme Manager, Healthy New Towns, NHS England
- 10.15 - 11.00 **Challenges in delivering Healthy New Towns - commissioning, workforce integration and national networks**  
*With NHS England inviting developers and housing associations to join a national network to make healthy living a priority for future home building, what lessons can be learnt from existing Healthy New Town demonstrator sites to benefit new housing developments across the country? How can commissioners best utilise the built and natural environment to tackle challenges around obesity, dementia and social isolation? Following the extension of the Safe and Well programme for fire-fighters to identify a wider range of health risks in the home, what further opportunities exist for integrating fire and rescue services and other workforces into the development of healthier communities?*  
**Dr Tony Naughton**, Clinical Chief Officer, NHS Fylde and Wyre Clinical Commissioning Group  
Senior representative, housing association  
Senior representative, local authority  
Senior representative, fire and rescue
