

Westminster Health Forum Keynote Seminar
Priorities for improving care and support for older people:
funding, service redesign and towards the green paper

Timing: Morning, Friday, 9th March 2018

Venue: Glaziers Hall, 9 Montague Close, London SE1 9DD

WESTMINSTER
HEALTH FORUM

Agenda subject to change

- 8.30 - 9.00 Registration and coffee
- 9.00 - 9.05 **Chair's opening remarks**
To be confirmed
- 9.05 - 9.15 **Key issues for funding health and social care services for older people**
Ashley McDougall, Director, Local Service Delivery Value for Money Studies, National Audit Office
- 9.15 - 10.10 **Next steps for delivering integrated services for older people: service redesign, collaboration and delayed transfers of care**
What more can be done by patients and professionals to keep older people healthy and out of hospitals, in addition to the development of proactive approaches such as falls prevention? What steps should be taken within acute settings to minimise the impact of hospitalisation on the patient's health? With incidences of delayed transfers of care rising, what more needs to be done to ensure better working between acute and social care services to ensure patients are not unnecessarily left in hospital? What steps should be taken to create dementia-friendly care settings? What examples of best practice can be drawn from the enhanced health in care homes vanguard sites to improve care?
Dr Adrian Hayter, Chair, NHS Windsor, Ascot and Maidenhead Clinical Commissioning Group
Karin Orman, Professional Affairs Officer for Older People and Long-Term Conditions, Royal College of Occupational Therapists
