10.05 - 10.25	Questions and comments from the floor
10.25 - 10.30	**Chair's closing remarks** **Daniel Zeichner MP**, Vice Chair, All-Party Parliamentary Group for Life Sciences
10.30 - 11.00	Coffee
11.00 - 11.05	**Chair's opening remarks** **Rt Hon the Lord Warner**, former Parliamentary Under-Secretary and Minister of State, Department of Health
11.05 - 12.10	**The developing role of data-sharing in whole-person care: integration, transparency and choice** *How can challenges in implementing the Personalised Health and Social Care 2020 framework - such as encouraging transparency, building public trust and assuring best value for the taxpayer - be overcome by health professionals at a local level, and what more should be done to effectively utilise data and technology to deliver further efficiencies across health and social care? With the announcement that Summary Care Records will be rolled out to community pharmacy, what further opportunities exist for integrating primary care through data-sharing, and what lessons can be learnt from the initial rollout? With patients being able to access their own GP record from Autumn 2016, what more should be done to increase data-sharing and safeguard patient confidentiality in general practice? What opportunities exist for the third and independent sectors to drive innovation in data-sharing and the integration of care records?* **Andrew Fenton**, Programme Director, NHS South, Central and West Commissioning Support Unit **Ash Soni**, President, Royal Pharmaceutical Society **Clare Marx**, President, Royal College of Surgeons and Chair, Strategic Clinical Advisory Group, National Information Board **Gerard Crofton-Martin**, Director of Quality and Evidence, Healthwatch England Questions and comments from the floor
