Professor Alistair Burns, National Clinical Director for Dementia and Older People's Mental Health, NHS England
- 11.45 - 12.30 **Developing specialised mental health services and promoting patient-focused care**
With the establishment of four new mental health and baby units and twenty newly-expanded specialised perinatal mental health teams, what are the priorities for improving mental health care for new mothers? What progress has been made in treating veterans with psychological injuries since the establishment of the Transition, Intervention and Liaison (TIL) mental health services for veterans? With the Next Steps on the Five Year Forward View document committing to a 20% increase in talking therapies by 2018/2019, what next steps should be taken to meet this target as well as increase access to digital therapies? How can innovation in digital technology work to improve diagnosis and access to treatments in mental health care?
Sue Freeth, Chief Executive, Combat Stress
Elaine Hanzak, Perinatal Mental Health Advocate
Dr Angelika Wieck, Clinical Lead Perinatal Mental Health, Greater Manchester and Eastern Cheshire Strategic Clinical Network and Consultant in Perinatal Psychiatry
Senior representative, commissioning
