Ashley McDougall, Director, Local Service Delivery Value for Money Studies, National Audit Office
- 9.25 - 9.35 Questions and comments from the floor
- 9.35 - 10.25 **Key issues for service delivery: workforce development, reducing delayed transfers of care and tackling isolation**
How can commissioners, local authorities and other health professionals best coordinate to avoid unnecessary hospital admissions for older people, and with delayed transfers of care rising in the last year what more needs to be done to ensure better working between secondary and social care services to ensure patients are not unnecessarily left in hospital? Following recently published guidelines for older people's mental health, what more can be done to improve interventions aimed at maintaining the independence and mental wellbeing of older people? As the UK begins the process of leaving the EU, what steps should be taken to improve workforce recruitment and retention and ensure health and social care staff are sufficiently trained in the care of older patients?
Dr Adrian Hayter, Chair, NHS Windsor, Ascot and Maidenhead Clinical Commissioning Group
Karin Orman, Professional Affairs Officer for Older People and Long-Term Conditions, College of Occupational Therapists
Dr Alex Bailey, Lead Clinician for Older People, Central and North West London NHS Foundation Trust and Old Age Psychiatrist, Westminster Community Mental Health Team
