**Professor Sir Munir Pirmohamed**, NHS Chair of Pharmacogenetics and Associate Pro-Vice Chancellor for Clinical Research, University of Liverpool and Executive Director, Liverpool Health Partners
- 9.15 - 9.30 **'The 100,000 Genomes Project - realising the potential of population data'**  
**Sir John Chisholm**, Executive Chair, Genomics England
- 9.30 - 9.50 Questions and comments from the floor
- 9.50 - 10.10 **Translating learning from the 100,000 Genomes Project into service delivery: integration, education and adoption**  
**Dr Paul Brennan**, Clinical Director, Northern Genetics Service and Clinical Programme Lead, North East and North Cumbria NHS Genomic Medicine Centre  
**Tony Davis**, Commercial Director, West Midlands Academic Health Science Network
- 10.10 - 10.20 **Ensuring regulation is at pace with developments in pharmacogenomics**  
**Dr Krishna Prasad**, Group Manager, MHRA
- 10.20 - 10.35 Questions and comments from the floor
- 10.35 - 10.40 **Chair's closing remarks**  
**Nick Thomas-Symonds MP**
- 10.40 - 11.05 Coffee
- 11.05 - 11.10 **Chair's opening remarks**  
**Rt Hon the Lord Warner**, former Parliamentary Under-Secretary and Minister of State, Department of Health
- 11.10 - 11.35 **Priorities for delivering the Genomics Education Programme and embedding new skills in the NHS**  
**Dr Anneke Seller**, Scientific Director, Genomics Education Programme, Health Education England  
Questions and comments from the floor
- 11.35 - 12.25 **Implementing personalised medicine: funding, collaboration and meeting patient needs**  
*In light of financial pressures on the NHS, what steps need to be taken to ensure adequate funding for personalised medicine and how could cost-savings generated through more accurate diagnoses be reinvested? What more should be done to improve the use of diagnostics in the NHS, and to what extent is this critical to the success of a genomic medicine service? What more should be done to improve the NHS' IT capacity to deliver a genomic medicine service, and how can bodies such as NHS Digital assist in this area? What more should be done to improve patient education and involvement in personalised medicine?*  
**Dr Mark Kroese**, Director, PHG Foundation  
**Dr Virginia Acha**, Executive Director, Research, Medical and Innovation, ABPI  
**Professor Stephen Powis**, Group Chief Medical Officer, Royal Free London NHS Foundation Trust  
**Doris-Ann Williams**, Chief Executive, British In Vitro Diagnostics Association  
**Dr Jayne Spink**, Chief Executive Officer, Genetic Alliance UK  
Questions and comments from the floor
- 12.25 - 12.55 **Next steps for introducing a genomic medicine service in the NHS**  
**Professor Sue Hill**, Chief Scientific Officer, NHS England  
Questions and comments from the floor
- 12.55 - 13.00 **Chair's and Westminster Health Forum closing remarks**  
**Rt Hon the Lord Warner**, former Parliamentary Under-Secretary and Minister of State, Department of Health  
**Matthew Bradberry**, Forum Lead, Westminster Health Forum
