

Westminster Energy, Environment & Transport Forum policy conference
Next steps for energy storage in the UK - market development and expanding capacity, innovation and commercialisation, competition and regulation

Timing: Morning, Tuesday, 29th March 2022

*****Taking Place Online*****

**WESTMINSTER ENERGY
ENVIRONMENT &
TRANSPORT FORUM**

Draft agenda subject to change

- 8.30 Registration
- 9.00 **Chair's opening remarks**
Senior Parliamentarian
- 9.05 **Increasing energy storage capacity in the UK - key challenges, trends, and opportunities**
Professor Nigel Brandon, Dean of the Faculty of Engineering, Imperial College London
Questions and comments from the floor
- 9.25 Break
- 9.30 **Priorities for expanding storage capacity - supporting innovation in battery storage and wider enabling technology, grid connectivity and the transition to low-carbon energy generation, and coordination with the wider EV rollout**
Matt Allen, CEO, Pivot Power
Basil Scarsella, Chief Executive Officer, UK Power Networks
Alec Whiter, Senior Associate and Director of Energy and Net Zero Projects, Burges Salmon
Claire Miller, Director, Technology and Innovation, Octopus Electric Vehicles
Katherine Marshall, Director of Markets Regulation and Group Compliance, SSE Group
Questions and comments from the floor
- 10.40 **Chair's closing remarks**
Senior Parliamentarian
- 10.45 Break
- 11.55 **Chair's opening remarks**
Senior Parliamentarian
- 11.00 **Integrating large- and small-scale energy storage across the electricity network, encouraging innovation, and reducing barriers to entry**
Nick Winser, Chairman, Energy Systems Catapult
Questions and comments from the floor
- 11.20 Break
- 11.25 **Utilising storage solutions to support decarbonisation across business and energy-intensive industries**
Duncan Botting, Group Chief Executive Officer, Global Smart Transformation
- 11.35 **Developing alternative storage technologies - challenges for research, finance, and adoption**
Professor David Stone, Professor in Electrical Engineering and Member of the Management Board of the Energy Institute URI, University of Sheffield
Kate Jones, Innovation Lead, Innovate UK
- 11.55 Questions and comments from the floor with
- 12.05 **Policy priorities for expanding the energy storage sector - support for commercialisation and reducing network and regulatory barriers**
Kyle Martin, Market Change Delivery Senior Manager, National Grid ESO
Senior speaker confirmed from **BEIS**
Senior representative, regulation
- 12.35 Questions and comments from the floor
- 12.55 **Chair's and Westminster Energy, Environment & Transport Forum closing remarks**
Senior Parliamentarian
Michael Ryan, Deputy Editor, Westminster Energy, Environment & Transport Forum
