

Westminster Health Forum policy conference:

Next steps for genomics in the UK

Timing: Morning, Thursday, 23rd May 2024

Taking place online

WESTMINSTER
HEALTH FORUM

Agenda subject to change

- 8.30 Registration
- 9.00 **Chair's opening remarks**
Professor Rameen Shakur, Director, Brighton Integrative Genomics Unit, and Director, Centre of Research Excellence in Precision Health and Translational Medicine, University of Brighton
- 9.05 **Assessing the future of innovation in genomics, and priorities for collaboration**
Dr Rich Scott, Chief Executive Officer, Genomics England
Questions and comments from the floor
- 9.35 **Next steps for advancing genomic research**
data, partnerships and security / clinical trials and patient involvement / personalised medicine / developing predictive healthcare models
Professor Rameen Shakur, Director, Brighton Integrative Genomics Unit, and Director, Centre of Research Excellence in Precision Health and Translational Medicine, University of Brighton
Dr Sarah Wynn, Chief Executive Officer, Unique
Professor Emma Baple, Professor of Genomic Medicine and Medical Director, South West Genomic Laboratory Hub, University of Exeter
Neil Ward, Vice President and General Manager, PacBio
Dr Ricarda Gaentzsch, Head of Genomic and Precision Medicine, IQVIA
Questions and comments from the floor
- 10.40 **Chair's closing remarks**
Professor Rameen Shakur, Director, Brighton Integrative Genomics Unit, and Director, Centre of Research Excellence in Precision Health and Translational Medicine, University of Brighton
- 10.45 Break
- 10.55 **Chair's opening remarks**
Pauline Latham MP
- 11.00 **The outlook for genomics in the NHS and priorities for the Networks of Excellence**
Professor Dame Sue Hill, Chief Scientific Officer for England and Senior Responsible Officer for Genomics, NHS England
Questions and comments from the floor
- 11.30 **Progress and next steps for workforce education, training, skills and capacity for genomic medicine**
Professor Kate Tatton-Brown, Clinical Director and Head of National Genomics Education, NHS England
Questions and comments from the floor
- 11.55 **Adopting and embedding genomic medicine in the NHS**
data, investment and collaborative-working / developing and informing models of care and diagnosis / patient pathways and access to personalised treatments / supporting medicine optimisation
Professor Tim Hubbard, Director, ELIXIR
Dr Nirupa Murugaesu, Cancer Lead for Genomics, Guy's and St Thomas' NHS Foundation Trust, South East Genomic Laboratory Hub, and Genomic Medicine Service Alliance
Neil McClements, Chief Executive, Haemochromatosis UK
Dr Sian Morgan, Chair, Genomics and Reproductive Science SAC, Royal College of Pathologists
Dr Hayley Wickens, Consultant Pharmacist, Genomic Medicine, NHS Central and South Genomics
Questions and comments from the floor
- 12.55 **Chair's and Westminster Health Forum closing remarks**
Pauline Latham MP
Jessica Lear, Westminster Health Forum
