

**Westminster Energy, Environment & Transport Forum policy conference**  
**Next steps for developing the UK nuclear sector - regulation and finance, delivering new builds, and priorities for innovation, collaboration and skills**

Timing: Tuesday 20th October 2020

\*\*\*Taking Place Online\*\*\*

**WESTMINSTER ENERGY  
ENVIRONMENT &  
TRANSPORT FORUM**

*Draft agenda subject to change*

- 8.30 Registration
- 9.00 **Chair's opening remarks**  
**Lord Ravensdale**
- 9.05 **The future for regulating the UK nuclear sector and ensuring regulation is agile, fit for purpose, and harmonised with international standards**  
**Mike Finnerty**, Deputy Chief Nuclear Inspector and New Reactors Director, Office for Nuclear Regulation  
Questions and comments from the floor
- 9.30 Break
- 9.35 **Case study: designing a stable funding and development model for nuclear projects in the UK, and latest progress on the Hinkley Point C project**  
**Humphrey Cadoux-Hudson**, Managing Director, Nuclear Development, EDF Energy
- 9.45 **Priorities for progressing nuclear new builds and establishing project reliability, stability, and reduced investment risk**  
**Alan Raymant**, Chief Executive, Bradwell B Project, CGN  
**Patrick Robinson**, Partner, Burges Salmon  
**Vanja Munerati**, Transaction Director, Business and Investor Advisory, Arup  
**Professor Lenny Koh**, Director, Centre for Energy, Environment and Sustainability, University of Sheffield, and Head of Communication, Partnership and Internationalization, The University of Sheffield Energy Institute  
Questions and comments from the floor with **Humphrey Cadoux-Hudson**, Managing Director, Nuclear Development, EDF Energy
- 10.45 **Chair's closing remarks**  
**Lord Ravensdale**
- 10.50 Break
- 10.55 **Chair's opening remarks**  
**Charlotte Nichols MP**, Vice Chair, All-Party Parliamentary Group on Nuclear Energy
- 11.00 **Progress on nuclear decommissioning, and the opportunities for UK expertise and logistics to lead internationally**  
Senior representative, decommissioning  
Questions and comments from the floor
- 11.25 **The future of nuclear innovation in the UK and the wider global context - developing advanced technologies, fusion reactors, and tackling engineering and cost challenges**  
**Candida Whitmill**, Managing Director, Penultimate Power UK  
**Dr Nicholas Hawker**, Co-founder, CEO and CTO, First Light Fusion
- 11.40 **Latest thinking on expanding industry-wide collaboration - creating local, regional and national nuclear clusters, innovating manufacturing and materials, and narrowing the skills gap**  
**Ivan Baldwin**, Member, Nuclear Industry Council, and Chairman, Britain's Energy Coast Business Cluster  
**Andrew Storer**, Chief Executive Officer, Nuclear AMRC  
**Leon Flexman**, Director, Corporate Affairs, Horizon Nuclear Power  
Senior representative, local authority  
Questions and comments from the floor with **Candida Whitmill**, Managing Director, Penultimate Power UK, and **Dr Nicholas Hawker**, Co-founder, CEO and CTO, First Light Fusion
- 12.30 Break
- 12.35 **Next steps for the UK nuclear industry and the priorities for delivering new builds, stable development models, and reaching net-zero emissions by 2050**  
**Tom Greatrex**, Chief Executive, Nuclear Industry Association
- 12.55 **Chair's and Westminster Energy, Environment & Transport Forum closing remarks**  
**Charlotte Nichols MP**, Vice Chair, All-Party Parliamentary Group on Nuclear Energy  
**Jack Longman**, Senior Researcher, Westminster Energy, Environment & Transport Forum
