29th November 2016

Please note that unfortunately it was discovered following the end of the event that, due to a fault with the audio-visual set up, a recording of part of the event was not made. Please accept our apologies. In the circumstances, we asked speakers to provide the notes of their speeches and those which have kindly been supplied, as well as PowerPoint presentations, are in this briefing document.

CONDITIONS FOR USE OF TRANSCRIPTS:

This document is intended to provide a timely reference for interested parties who are unable to attend the event to which it refers. Some portions are based on transcripts of proceedings and others consist of text submitted by speakers or authors, and are clearly marked as such. As such, apart from where it is indicated that the text was supplied by the speaker, it has not been possible for the transcript to be checked by speakers and so this portion of the document does not represent a formal record of proceedings. Despite best endeavours by Westminster Forum Projects and its suppliers to ensure accuracy, text based on transcription may contain errors which could alter the intended meaning of any portion of the reported content. Anyone who intends to publicly use or refer to any text based on the transcript should make clear that speakers have not had the opportunity for any corrections, or check first with the speaker in question. If in doubt, please contact the Forum first.
